

VIDYASHRAM - THE SOUTHPOINT SCHOOL

30 years of work on education in Varanasi, India

WE INVITE YOU TO
BE A PART OF OUR
SPONSOR-A-CHILD
PROGRAM

WHO ARE WE?

We are a model of what a school could be: fully inclusive, state-of-the-art, and environmentally sensitive. For thirty years we have based our work on research on different aspects of education and society—arts-based curricula, teaching techniques, leadership and critical thinking. We have two campuses with over 150 students, one in the city of Varanasi and one in the village of Betawar. 50% of our students come from artisan, farming and working-class families and 50% from middle class and elite families. A robust family-school relationship lies at the heart of our work. We are the change we wish to see.

WHAT DO WE DO?

- ➡ We make our classrooms welcome children from ALL backgrounds to become lifelong learners.
- ➡ We design spaces and techniques for independent as well as group work.
- ➡ Our teaching philosophy teaches children to be critical thinkers and also to respect their communities and hands-on work.
- ➡ Through arts like theatre, music, dance, karate, aikido, farming—they learn to make connections between themselves and the universe, their past and future, beauty and truth.
- ➡ We are known as pioneers in Progressive Education, visited regularly by educationists.

**OVER THIRTY YEARS,
WE HAVE IMPACTED 5000+ CHILDREN AND THEIR FAMILIES
FROM VARANASI CITY AND 12 NEIGHBOURING VILLAGES
AND WE HAVE BEEN GIVEN THE STATUS OF
